

The 300 Club

What's It All About?

It is not about a televangelist guaranteeing the kingdom for your life savings.

It is about 300 members having the possibility of winning \$200.00 a week for the next year, and a ton of prizes at the end of the year.

It is about an end-of-the-year banquet with a cash load of winners.

It is about helping St. John the Baptist Parish.

Who Can Enter the 300 Club?

If you've reached your 18th birthday, then you're old enough to be a member of the 300 Club.

If you'd like to see a check come to you in the mail instead of a bill, then you can become a member of the 300 Club.

If you feel lucky, or generous, you can become a member of the 300 Club.

How Do I Join the 300 Club?

You complete the form at the bottom of this sheet and return it to St. John's Rectory.

You submit your first payment of \$20.00 by September 1.

Or, you submit full payment of \$200 for the year (by Sept. 20) and save.

What's The Cost To Be A 300 Club Member?

If you pay in one lump sum up front, it is \$200.00, (by Sept. 20) a savings of \$40.00.

If you pay monthly, it is \$20.00 per month, due the first of each month, for a total cost of \$240.00.

How Often Can I Win?

You can win, conceivably, every week for 52 weeks, and then 30 times at the banquet.
