

One Month Increased Offertory Giving Report

We are extremely grateful for the response of 362 families who have completed an Increased Giving Campaign card during the past month. It reflects a prayerful response to the generosity of God and the trust placed in God's care of us. What is also impressive is that eleven parishioners have now requested envelopes, and that more families than are shown on this report are now providing for St. John the Baptist Parish through electronic giving, assuring the parish a weekly contribution.

We've also been surprised by the number of families that did request envelopes for their children. This indicates that the younger generations are being properly trained in responsibility for their parish and the Church.

Again, envelopes containing Increased Giving Pledge Cards are available in the pews and also in boxes at all the entrances. They'll remain there through the remainder of the year. All families are asked to complete a form whether they find it possible or impossible to increase their parish support at this time.

May you find an abundance of blessings for you and your families this Advent season.

Love and prayers,

Fr. Tom
